

*private feedback . better results*

*Too often business owners learn of unsatisfied customers while reading articles from social websites or online forums. In most instances, these unhappy customers are merely looking for an outlet to express themselves. Wouldn't it be nice if they were able to voice their concerns to the one person that could fix the problem?*

*Boxwire is a virtual suggestion box for service based businesses; it allows feedback to be submitted by any customer via boxwire.com or any mobile device. Boxwire collects this information then sends it via email or text directly to the proprietor of the business... instantaneously and anonymously.*

*Through Boxwire's extensive dashboard, business owners can use customer's comments to help grow their business and manage trends effectively. This information can also be used to act upon any feedback before negative opinions are expressed on the web, where they are virtually impossible to be removed.*

*Today's the day to start listening to the people that count...your customers! Grow and enhance your business with Boxwire.*

*For a free on-site demo, give us a call at (855) BOXWIRE or visit our website, [www.boxwire.com](http://www.boxwire.com).*
