

Is your business on Boxwire? Private Feedback . Better Results

Surveys and traditional suggestion boxes are outdated and unreliable. Without anonymity, complete honesty is simply an unrealistic expectation. Boxwire is a **virtual suggestion box**, it allows anonymous feedback to be submitted at any time, by any customer via Boxwire.com or any mobile device. Boxwire receives this information then sends it via email or text directly to the proprietor of the business... instantaneously. When your customers submit their private, anonymous feedback on Boxwire.com, they're simply helping you answer one valuable question, "how may we serve you better?"
